1. Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 **must** complete Form 3 of the Annual Governance and Accountability Return at the end of each financial year in accordance with *Proper Practices*.
2. **The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:**
  - The **Annual Internal Audit Report must** be completed by the authority's internal auditor.
  - **Sections 1 and 2 must** be completed and approved by the authority.
  - **Section 3** is completed by the external auditor and will be returned to the authority.
3. The authority **must** approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both **must** be approved and published on the authority website/webpage **before 1 July 2022**.
4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, **must** return to the external auditor by email or post (not both) **no later than 30 June 2022**. Reminder letters will incur a charge of £40 +VAT:
  - the Annual Governance and Accountability Return Sections 1 and 2, together with
  - a bank reconciliation as at 31 March 2022
  - an explanation of any significant year on year variances in the accounting statements
  - notification of the commencement date of the period for the exercise of public rights
  - Annual Internal Audit Report 2021/22

Unless requested, do not send any additional documents to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed the limited assurance review and is able to give an opinion, the Annual Governance and Accountability **Section 1, Section 2 and Section 3 – External Auditor Report and Certificate** will be returned to the authority by email or post.

## Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:

Before 1 July 2022 authorities **must** publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- **Section 1 - Annual Governance Statement 2021/22**, approved and signed, page 4
- **Section 2 - Accounting Statements 2021/22**, approved and signed, page 5

Not later than 30 September 2022 authorities **must** publish:

- Notice of conclusion of audit
- **Section 3 - External Auditor Report and Certificate**
- **Sections 1 and 2 of AGAR** including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

\*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

## Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2021/22

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide\** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty), and is properly signed and dated. If the AGAR contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2022.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- Do not send the external auditor any information not specifically requested. However, **you must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide\**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2021) equals the balance brought forward in the current year (Box 1 of 2022).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2022**.

## Section 3 – External Auditor’s Report and Certificate 2021/22

In respect of

KIRK LANGLEY PARISH COUNCIL

### 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/> .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

### 2 External auditor’s limited assurance opinion 2021/22

(Except for the matters reported below)\* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. (\*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

(continue on a separate sheet if required)

### 3 External auditor certificate 2021/22

We certify/do not certify\* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.

### **Internal Auditor Report – Year ended 31 March 2022**

Dear Mrs Keppel-Spoor

Please find herewith your annual internal audit report for Kirk Langley Parish Council, carried out on 28<sup>th</sup> June 2022 at your office in Aston on Trent, Derbyshire.

I have audited the available information in accordance with the checklist provided by PKF Littlejohn LLP and Derbyshire Association of Local Councils. My findings are as follows:

1. There is little evidence of appropriate accounting records to inspect/audit. A single spreadsheet was made available which detailed various payments on dates which corresponded to meeting dates, however you explained to me that you were very recently appointed as the Responsible Financial Officer to this post, and though you having been fulfilling a locum clerk role for some time, the previous clerk had deleted much of the required information to give a full picture of the accurate accounts.
2. There is no evidence to suggest that financial regulations have been followed, not all payments are supported by invoices and not all expenditure is approved. There is no evidence available to support VAT recording has been completed accurately.
3. There is no evidence of risk management in place in relation to financial matters.
4. There is no evidence of any democratic budget setting to support the precept request. Indeed you have informed me that this is reported to be something the previous clerk completed on her own and presented to the Council as a final document. There is no evidence of budgetary approval.
5. The evidence presented concludes that all expected income was received and properly recorded.

**JPC Accounting Ltd**  
For all your financial needs

6. Petty Cash is not held by the Parish Council and was therefore not covered by this audit.
7. Employee salaries is an anomaly. You have informed that the previous Clerk was self-employed and was responsible for submitting her own PAYE and NI/Tax payments. According to the HMRC, Parish Council Clerks have not been allowed to be self-employed since 2011 and there is a legal topic note to support this. You have also supplied evidence to the contrary, supplied by HMRC themselves, however for the purpose of audit, I must highlight that employment arrangements and payment of salaries has not been adequately, or appropriately recorded. You inform me that this is now rectified, you are an employee of Kirk Langley Parish Council and your salary is paid in accordance with the correct PAYE procedures.
8. Asset registers were unavailable to view at the time of audit, they cannot be assumed to be correct.
9. No bank reconciliation has been recorded throughout the whole financial year.
10. Accounting statements were unavailable to view, there was no cash book to show any record of transactions to support the bank statements. These accounts should be prepared on an income and expenditure basis and each transaction should be supported by a line in the cashbook which can be evidenced from a robust paper trail. There are no debtors to the Parish Council.
11. It is unclear from the available paperwork whether or not this authority was exempt in the previous financial year, however, based on the limited evidence available, it was suggested that the AGAR Form 3 is completed this year regardless of requirement to offer some financial transparency for this council.
12. Much of the required information remains missing from the website, which is largely due to the implementation of a new website at the end of 2021. You have informed me that this will be rectified and additional information is in the process of being added as it becomes available.
13. It is reported that correct period of exercise was adhered to in the previous financial year by way of a paper notice on the noticeboard placed in the parish.
14. The publication of the previous financial year statements were not added to the website, thus the publication requirements were incomplete.

I am happy to offer guidance and support where required to enable an easier audit process to be in place for the next financial year and as an additional offer, I am happy to return mid-term and complete a full governance review knowing that this parish council are undergoing many changes following your appointment as Clerk & Responsible Financial Officer.

Kind Regards

*Jonathan Cox*

Director
