S.N.T. News

We have had a really busy month during October here on the local S.N.T. We have been out and about in Duffield undertaking our Derbyshire Alert surveys. For those that don't know about the Derbyshire Alert system it is a community messaging system which is used by ourselves to put out local news and appeals direct to you email address. The system runs through email so you will need an Email address to access it. If you are keen to hear more, you can either contact ourselves through our Facebook page (Address opposite) or go to www.derbyshirealert.co.uk
